

Black Cherry Cola Bourbon Slush

Bring back memories of cocktail parties in the 60's.

Makes 24 ounces of Slush

Recipe Serves 4 to 6

Ingredients

3 containers Black Cherry Froot Jooce®, frozen
9 ounces cola regular or diet variety
4 ½ ounces Bourbon

Directions

Remove foil lids from Froot Jooce containers. Using a paring knife, cut the Froot Jooce into quarters and add to blender. Add soda and bourbon. Cover and blend until smooth. Pour into rock glasses and garnish with a maraschino cherry and orange wedge. Serve immediately or freeze for later use*.

*Back of the House Prep Tip

*For easy preparation and service, prepare this recipe in advance and freeze it in a plastic quart container overnight or up to two weeks. Beverages will expand when frozen. Take out of the freezer for 10 to 15 minutes before serving and **mix to evenly distribute alcohol into beverage.***

Cocktail Options

Try whiskey instead of bourbon and cherry cola for regular cola.
